TAPE CORK ACCESSORY RANGE

Eco-designer Ryan Frank and London music brand TAPE blend fashion, technology and sustainability with a collection of stylish and tactile music-orientated cork sleeves.

Manufactured in East London, the range is handmade from fabric backed cork with custom stitched edging and includes laptop covers for PC/Mac, iPhone / iPod /Blackberry pouches and custom size eBook reader sleeve for the iPad and Kindle.

Cork is an extremely durable, lightweight and soft material making it ideal for protecting your personal electronic devices.

The covers come in various sizes to suit all common makes of laptops in 13" & 15" as well as the iPhone/iPod/iTouch, Blackberry and iPad/Kindle range.

ECO INFO

All of our cork is sourced from a sustainable certified FSC cork farm. No trees are cut down in its production. Natural cork is an environmentally friendly material that can be readily recycled without creating any significant secondary waste.
